

MEDIA STATEMENT

20 May 2011

Dual Gas Pty Ltd Media Statement regarding EPA Victoria's announcement today on its decision to grant part approval for the Dual Gas Demonstration Project.

General Manager of Dual Gas Pty Ltd, Paul Welfare, said EPA Victoria has not made a decision on the 600MW Demonstration Project as proposed by Dual Gas, but has approved a 300MW Project. Dual Gas has some significant concerns with the EPA Victoria configured 300MW alternative.

Dual Gas is currently reviewing the EPA decision and assessment material which has just become available and is now considering its options.
