Mr. George KERR said that he had written to PORFIRIEV (Valentin Alexandrovich PORFIRIEV - Senior Engineer - P/1/109) some time previously concerning a Political Relations Submission. SHESTAKOV (Boris Andreovich SHESTAKOV - Commercial Assistant (Engineering) 8/1/166) had been out to meet him.

PORFIRIEV said that he remembered and when asked by KERR whether he had had time to give it any consideration he was told he was very busy. KERR suggested Monday, but was told by PORFIRIEV that he would be in Sydney that day and said that perhaps after a week. They agreed and KERR would phone.
