Does it make sense to have Andrew attend this meeting?

You folks can bring who u need to this meeting. However, Secretary attendance required. I suspect your deputies will take the lead in briefing the Governor since it has been deputies leading the planning. Sorry for the confusion. Also we have decided that it would be good if we were all here for the entire two hours. Hearing the other departments may spark something that others did not think about. Plus there is a team effort and there may be specific things we could help each other with. By this email, plan on being at Gov Office at 9:00 on Thursday.

A couple things I want to update you on.

The Secretaries of the following agencies should prepare to brief the Governor on Thursday on your plans – DOC, DHS, DOT and DOA. We have from 9:00 to 11:00 with the Governor. You will be contacted for a specific block of time. I would like the DOA Swat Team to attend these meetings.

You have all done a great job and hopefully it will be all for nothing. I appreciate all of your attention to this, your suggestions, ideas and input over these last several weeks.

If you have issues that you feel have not been addressed or you are concerned about, please do not hesitate to contact me directly.
