The attached spreadsheet shows the employees who earned the most overtime in 2009. It includes more employees than you requested in order to illustrate that the issue is not limited to a single classification or bargaining unit.

Jessica, this is excellent! I forwarded it right to Gov staff that are currently meeting with leg leaders for their use.

Can you get me the top three union overtime people – what their annual salary is and what it is after overtime for the last year we have completed? Or a 12 month period?
